
Practical Bioinformatics

Marc Vaudel

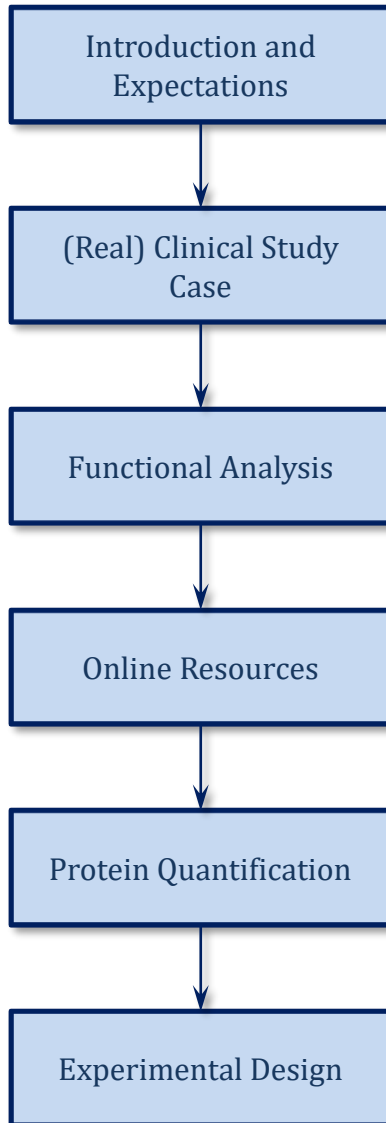

*Center for Medical Genetics and Molecular Medicine,
Haukeland University Hospital, Bergen, Norway*

*KG Jebsen Center for Diabetes Research, Department of Clinical Science,
University of Bergen, Norway*

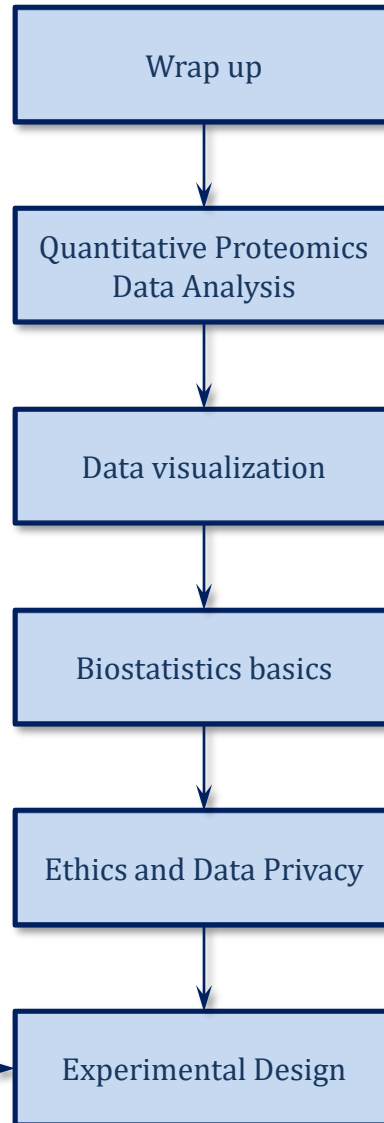

Program

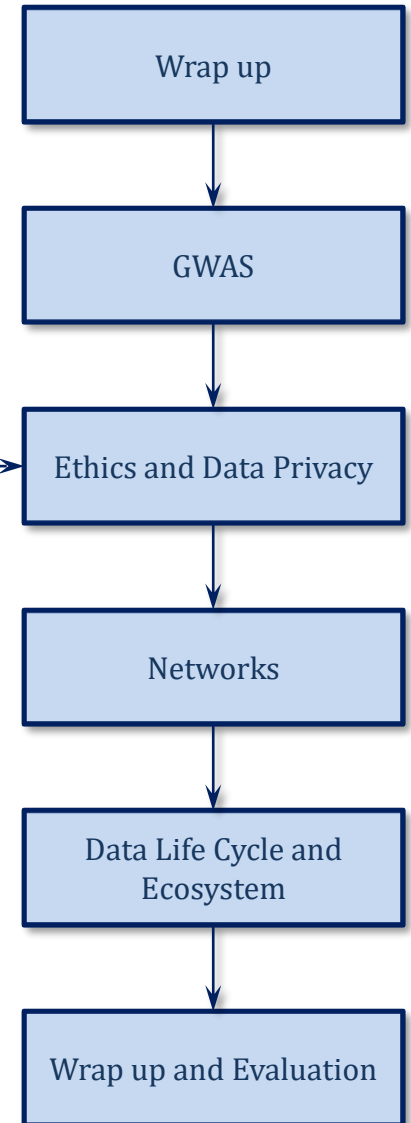

Day 1

Day 2

Day 2

Presentation and Expectations

-> *Name?*

-> *Why are you here?*

-> *What is your professional goal?*

-> *What are your expectations from this course?*

How confident do you feel about...

-> *Using online bioinformatic resources?*

-> *Proteomic identification?*

-> *Inferring the function of genes and proteins?*

-> *Programming?*

-> *Bioinformatics in general?*
